

Consolidated Buy 28 Product Offerings
Contract Number W91QUZ-06-D-0009

The ADMC-2 contracts are the Army's primary source of commercial desktops, notebooks, semi-ruggedized and ruggedized devices, displays, printers and associated peripherals. NCS Technologies is a proud supplier under this contract.

Computers

Standard Desktop

HP ProDesk 400 G5 SFF Desktop PC

Give your business the strong foundation it needs for growth with the affordable and reliable HP ProDesk 400 SFF. Designed with essential security and manageability features, the HP ProDesk 400 helps keep your business growing. New 8th generation Intel® Core™ processors bring powerful processing with Intel HD 630 Graphics. Available DDR4 memory helps meet the demands of today's businesses.

Performance Desktop

HP EliteDesk 800 G4 Tower

Powered for the enterprise, the high performance HP EliteDesk 800 TWR is one of our most secure and manageable PCs featuring superb expandability required by today's high-productivity workforce in a stylish chassis designed for the modern workplace.

All-In-One

HP EliteOne 800 G4 All-in One PC

This 23-inch Touch One-in-One is stylishly efficient from edge to edge. With slim, sleek glass across a 23-inch diagonal FHD screen, this all-in-one impresses virtually anywhere. The HP Elite family is designed to pass MIL-STD 810G tests for a broad range of environmental conditions.

Scientific Workstation

HP Z4 G4 Workstation

HP's most popular workstation just got better. Perfect for engineering, the Z4 delivers mainstream performance for a wide spectrum of applications. With server-grade processing and a full set of components you get everything you need, nothing more

Mainstream Notebook

HP ZBook 15 G5 Mobile Workstation

Enjoy workstation performance in a low cost, compact package with HP's ZBook Mobile Workstation offered in a 15.6" diagonal screen size. These customizable workstations deliver impressive professional 3D graphics and outstanding performance even from the most demanding applications in a perfect combination of mobility and cost.

Lightweight Notebook

HP EliteBook 840 G5 Notebook PC

Impressively thin and light, the HP EliteBook 840 empowers users to create, connect, and collaborate, using enterprise-class performance technology that helps keep you productive in and out of the office. Ideal for mobile professionals needing best-in-class, business rugged notebooks with enhanced system and graphic performance in a managed-IT environment.

Computers

Ruggedized/Semi-Ruggedized Notebook **Durabook S14I Semi-Rugged Laptop**

The s14I features an invincible mechanical design with rigorously tested components. It meets the standards of the MIL-STD 810G Change 1, can withstand a 4-foot drop, and boasts an IP53 rating, making it suitable for use in locations where rain or dust may be a regular occurrence. Powered by Intel 8th Generation processors and running Windows 10 Pro, the S14I provides users with a hot-swappable battery feature without compromising long battery life.

Tablet/Slate Notebook **Durabook U11 Rugged Tablet**

The U11 is the only tablet in its class with a truly fanless and sealed design. Powered by Intel 7th Generation Y-Series processors, this fully rugged tablet is built with plentiful I/O and expandable and customizable options to provide world-class performance for even the most demanding tasks.

Specialty Notebook **HP Zbook 17 G5 Mobile Workstation**

Get the performance of a desktop with the freedom of a laptop. Experience relentless performance when editing multiple streams of content, manipulating complex data and developing in virtual reality on location. With up to 50 million different configurations, the HP Zbook 17 can be customized to meet any demand. And when your technology needs to evolve, you can upgrade storage or memory in seconds without tools.

Printers

Monochrome Network Printer (110V/220V) **HP LaserJet M609dn**

The HP LaserJet M609dn with JetIntelligence combines exceptional performance and energy efficiency with professional-quality documents right when you need them- all while protecting your network from attacks with the industry's deepest security.

Color Multi-Function Printer (110V/220V) **HP LaserJet Enterprise Flow MFP M681z**

The HP LaserJet Enterprise Flow MFP M681z with JetIntelligence combines exceptional performance and energy efficiency with professional-quality documents right when you need them- all while protecting your network with the industry's deepest security.

Monitors

22" Monitor

LG 22MB35PY-I

Give your business the strong foundation it needs for growth with the affordable and reliable HP ProDesk 400 SFF. Designed with essential security and manageability features, the HP ProDesk 400 helps keep your business growing. New 7th generation Intel® Core™ processors bring powerful processing with Intel HD 630 Graphics. Available DDR4 memory helps meet the demands of today's businesses.

24" Monitor

LG 24BK550Y-I

This 23-inch Touch One-in-One is stylishly efficient from edge to edge. With slim, sleek glass across a 23-inch diagonal FHD screen, this all-in-one impresses virtually anywhere. The HP Elite family is designed to pass MIL-STD 810G tests for a broad range of environmental conditions.

27" Monitor

LG 27BK550Y-B

Enjoy workstation performance in a low cost, compact package with HP's ZBook Mobile Workstation offered in a 15.6" diagonal screen size. These customizable workstations deliver impressive professional 3D graphics and outstanding performance even from the most demanding applications in a perfect combination of mobility and cost.
