* This applies to ASUS Tablet products sold and purchased in North America only. This warranty applies only to products that are new on the date of purchase from an authorized ASUS product reseller. Please keep the original purchase invoice and warranty card for future service requests. The warranty does not cover any monitor, batteries, free or special bundled accessories, which may have been delivered together with your ASUS Tablet. ASUS warrants Tablet (Products) excluding (free) bundled accessories that may be delivered together with the Product, to be free from defects in materials and workmanship for a period of 12 month(s) depending on your specific model. If the product fails during normal and proper use within the warranty period ASUS will, subject to exclusions and at ASUS' discretion, repair or replace the product or components. Any products and/or components repaired or replaced by ASUS will be under warranty for the remaining period of warranty or for no less than 3 months. This warranty applies only to products that are new on the date of purchase from an authorized ASUS product reseller. The Tablet product line is covered under a parts and labor repair or buffer exchange warranty for hardware, manufacturing, and/or power related issues, excluding power surges and/or electrical spikes. This ASUS warranty does not include failure caused by improper installation, operation, cleaning or maintenance, accident, damage, misuse, abuse, non-ASUS modifications to the product, any software programs, normal wear and tear or any other event, act, default or omission outside ASUS' control. Software Support Your ASUS product is supplied with pre-installed software. If you have any related technical problems when using your ASUS product, we suggest you check the manual or ASUS support web site to carry out preliminary trouble shooting. ASUS will be limited to support your product if the operating system has been altered. Third party software may require support from such vendors. Tablet Shipping Terms ASUS Tablet products feature one-way ground shipping terms. Customer shall be responsible for any and all freight costs associated with sending in your product for service, and ASUS will cover the freight cost of shipping back to the customer after warranty service and/or repairs are completed. ASUS International Warranty This product line is eligible for the ASUS International Warranty. International Warranty offers free limited warranty service for warranty parts and labor repair worldwide for select tablets. Warranty service starts on the date of purchase and is only applicable to countries that have ASUS Regional Repair Facilities. Please visit www.asus.com for more information.
