

## FIVE5 All-in-One Desktop Series

*The FIVE5 All-in-One Desktop (AIO) Series strikes the perfect balance of superb design and powerful performance.*

### Imagine the Possibilities

The FIVE5 AIO Desktop Series delivers the top-of-the-line performance needed to compete and win in an increasingly challenging business environment.

- **Amazing Design:** The FIVE5's all-in-one construction means that everything you need is already included in its slender and graceful shape, fitting neatly in tight corners and reducing desktop clutter. With three screen sizes to choose from (18.5", 21.5" and 24"), the FIVE5's LCD display has excellent color saturation, ensuring a superb multimedia experience. An integrated Webcam makes it easy to stay in touch with friends, family, and business associates. The FIVE5 also features a 4-in-1 Card Reader and is ideal for transferring data from digital cameras, handheld PC's, and MP3 players.
- **Minimal Desktop Footprint, Brilliant Performance:** The FIVE5 AIO Desktop Series delivers outstanding performance, dependability in a sleek, space-saving form factor that fits neatly in tight corners and helps to reduce desktop clutter. Powered by Intel's® breakthrough Core™ i7, i5 or i3 processors, the FIVE5 AIO Desktop Series delivers more responsive multi-tasking, adaptable performance and built-in visual capabilities to bring more intelligent performance. The FIVE5 AIO Desktop Series also includes optional TPM, adding an additional layer of security and protection for your desktop.
- **Excellent Video Quality Already Included:** The FIVE5's integrated Intel® HD Graphics boasts built-in visuals, a rich set of new features for a stunning and seamless visual PC experience (without the extra expense of add-in video cards or decoders). For customers who require a desktop that delivers powerhouse graphics, the FIVE5 24" model offers a discrete video option.
- **Ready and Willing:** The FIVE5 is Windows® 7 ready, so it runs faster, is more secure and more reliable, which aids in maintaining high office productivity.

# FIVE5 All-in-One Desktop Series

Available Models	18.5"	21.5"	24"
Processor	LGA-1155 Socket (65W) Intel® Core™ i5 Processors Intel® Core™ i3 Processors Intel® Pentium™ Processors	LGA-1155 Socket Intel® Core™ i7 Processors (up to 65W) Intel® Core™ i5 Processors (up to 95W) Intel® Core™ i3 Processors (up to 95W)	
Chipset	Intel® H61 Express Chipset		Intel® H61 or Intel® Z68 Express Chipset
System Memory	Two 240-pin Dual Channel DIMM Sockets supporting 1066/1333 MHz Unbuffered DDR3 SDRAM Memory; 1GB, 2GB, or 4GB DIMMs Maximum Memory Capacity of 8GB		
Storage	One 3.5" SATA II 3Gbs HDD Bay		
Optical Drive	One Slim Type ODD Bay
